Make a Recurring Donation That Never Stops Giving

Did you know that you can set up a recurring donation to the Food Bank from our website (www.udistrictfoodbank.org)? Through our partnership with Greater Giving we have a secure donation page that is easy to use.

Select the Donation tab or Donate Now button from our homepage. Enter the donation amount and the recurring period: monthly, quarterly, bi-annually or annually. Once you submit the transaction you will receive an electronic receipt.

Not only is the online donating environmentally friendly, it simplifies the donation process for you and the Food Bank.

Schultzzy's Sausage Fundraiser All During the Month of December

For the month of December, Schultzzy's Sausage in the University District, 4114 University Way NE, will donate \$1 to the University District Food Bank for every liter of beer sold. Support the Food Bank and a local business by enjoying a beer with friends or family over the holidays. That's a winning proposition!

Your Endowed Gift Helps Sustain Food Bank's Work in Perpetuity

Were you aware that you can bequest a gift to the University District Food Bank? It's an opportunity to sustain the work of the Food Bank by creating an endowed legacy in perpetuity.

You can initiate the process by coordinating with the Food Bank and your attorney to create a charitable bequest in your will or living trust.

Please contact the Food Bank for more information.
